

C-C (1 : 10)

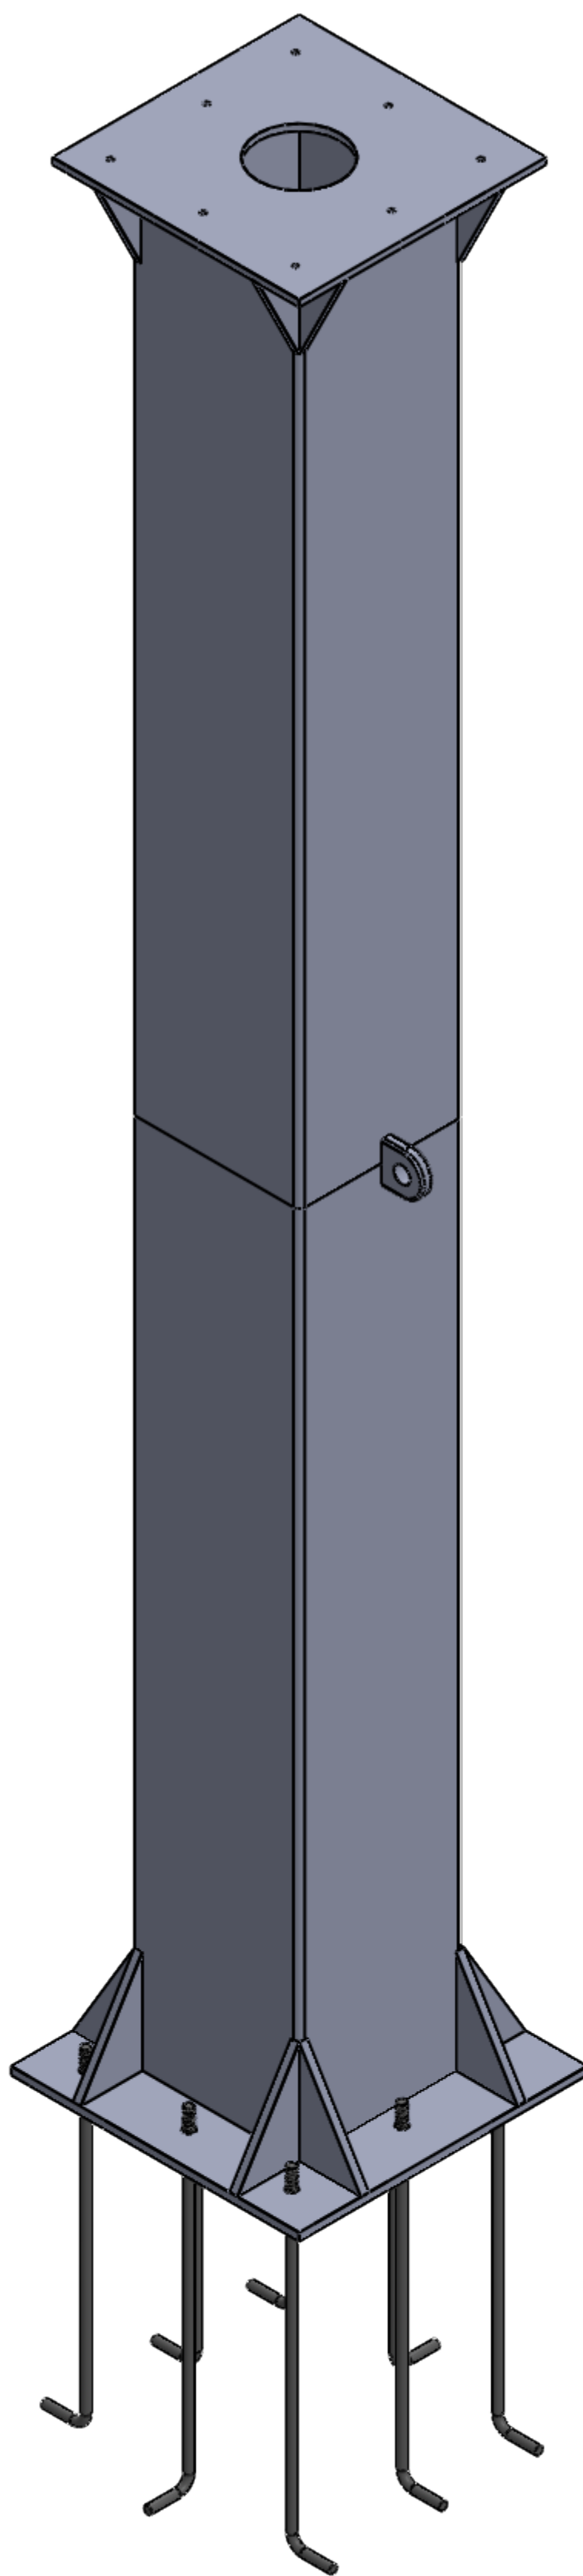

Technical drawing of a vertical support bar. The drawing shows a side view of the bar with the following dimensions and labels:

- Rosca**: Label pointing to the threaded section at the top of the bar.
- Barra redonda 3/4"**: Label pointing to the main body of the bar.
- 101**: Dimension indicating the height of the threaded section.
- 809,52**: Dimension indicating the total height of the bar.
- 100,00**: Dimension indicating the width of the base plate.

Technical drawing of a mechanical part. The part has a rectangular base with a width of 50,00 and a height of 100,00. The right side is a quarter-circle arc with a radius of R50,00. A central circular hole has a diameter of 40mm. A side view on the right shows a rectangular profile with a height of 25,00.

A diagram of a vertical rod. At the base, a horizontal red arrow points to the right, labeled "15.88". At the top of the rod, a red line segment extends diagonally upwards and to the right, labeled "#5/8".

Technical drawing of the ENGEN 40x40 metal profile. The drawing shows a cross-section of the profile, which is a square with a central slot. The dimensions are indicated: the overall width is 374.50 mm and the overall height is 374.50 mm. A detail view on the right shows the profile with a 40x40 metal plate attached to it. The drawing is labeled 'ENGEN' and 'Metal 40x40'.
